For Public Release

Despite the very best efforts of all the doctors and nurses at Miami Valley Hospital, Officer Seara Burton's injuries have been determined to be unrecoverable. Tomorrow, Thursday, September 1, 2022, Seara will be taken off of life support.

Seara will live on and continue to be a hero with her selfless gift of organ donation. Officer Burton will continue to serve others long after her passing. Final arrangements for Officer Burton will be released in the coming days.

Seara's family wanted to include the community in sharing this information. The incredible outpouring of support has been truly heartwarming. We ask that you please respect their privacy during this time. The Chief's office will put out more information once it becomes available.

Respectfully,

Major Jon Bales
