

On Monday, September 19, 2022, the Richmond Police Department along with multiple other agencies will be escorting the remains of Richmond K-9 Officer Seara Burton back home from Dayton. The escort is set to leave the Dayton area at 1:30 pm.

The escort will make its way onto I-75 North from Dayton and onto I-70 West. Once the escort reaches Richmond it will follow U.S. 40 from the interstate to North 5th Street (passing Officer Burton's police car at the city building) and then onto East Main Street and back to U.S. 40 to Doan & Mills Funeral Home located at 790 West National Road, Richmond, Indiana. (See attached map)

If you wish to show your support for the family of Officer Seara Burton and the Richmond Police Department, please find a location that is safe along the route. Remember not to stop or park along the interstate.

Once the funeral arrangements have been finalized, they will be released.

Members of the Richmond Police Department, along with Seara's family and friends would like to express their sincere gratitude for the outpouring of support from the Richmond Community and beyond during these difficult times.

Respectfully,

Capt. Curt Leverton
